TC Open Charitable Foundation

The TC Open Charitable Foundation was started with the simple concept of giving back. From there it has grown into an organization that has raised over $1,000,000 for various charities including most recently Watchful Shepard, Make-A-Wish Foundation, and the Semper Fi Fund Kids Camp.

In 1996, college students Chris Prado and Tom Pirosko, both originally from McMurray, PA and graduates of Peters Township High School decided to start a golf outing to raise money for the Homeless Shelter of Pittsburgh. After two years, the TC Open switched directions and started a long partnership with Make-A-Wish Foundation of Pittsburgh and most recently the Semper Fi Fund Kids Camp.

The TC Open Charitable Foundation is a registered 501(c)3 organization. In addition to the sporting clay event held annually in Pittsburgh, there is a sporting clay event and golf outing in Hudson, Ohio. We also continue to have our major fundraising event, a golf outing at Valley Brook Country Club yearly. Next winter we are excited to have another music concert to generate more money for the charity.

The foundation is always focused on helping children, but in recent years has put an emphasis on helping the children of our military. As Americans, we are fortunate that so many men and women make the decision to defend the freedoms we enjoy every day. And with these freedoms, we want to give back to our military men and women by supporting their children. That is why the TC Open Charitable Foundation is dedicated to helping those children facing various challenges because of their parents accepting the challenge to protect America.
While TC Open Charitable Foundation continues to grow, we have always understood that it is because of the great support we receive from our sponsors and supporters that allows us to continue to expand our outreach. Thank you to all and we look forward to seeing you at our next event!
